They are. That's why they are trying to make our lives impossible and prevent us from showing up to protest. They can protest but we can't because they don't agree?!?!?

I'm sick of their tactics and I'm sick of them.

An RV convoy fleet would be better anyway. They can't stop you and there's more places to store... Things.

This isn't going to take days. This is going to take years. Direct action is needed but so are ammo, med, and supply lines. Don't be shortsighted.

Yeah I'm supposed to believe these antifa types are just a completely on organized group of people, yet they have their own Twitter accounts, professional looking graphics, etc.

It's time to join their ranks and infiltrate them from within. Here's a link from their website to join their group.

Edit: here's another link. <https://www.shutdowndc.org/people>

The best way to counter what Antifa is doing is for everyone to call the hotel chains and tell them that you're a travelling salesman and you will no longer use their chain anywhere in the world if they cower to pressure put on them by a bunch of unemployed losers who live at home with mom and dad. Tell them you don't even really care about the rally, you're just trying to get there for a business deal.
